## THE SUIT SETTLED

Case Against the Board of Health Not Taken Into Court.

## THE PLAINTIFF WEAKENS

Mrs. Newman Sued for \$5,000 Damages for Alleged Making a Pest House of Her Home. Board Had Her Consent for Their Action.

The case brought against the members of the board of health by Mrs. Mary E. Newman of this city was discharged yesterday. It has attracted considerable attention.

Mrs. Newman sued Dr. George F. Simpson, P. J. Ashe and E. A. Richardson for \$5,000 damages for the alleged making a pest house of her home on Luther street. The property of the members of the board of health was attached for \$5,000 each and these attachments were on the property until yesterday when they were discharged with the suit. Mrs. Newman had for her attorneys, Charles E. Hubbard of Pittsfield and Senator Irwin of Northampton.

The case arose out of the bringing to Mrs. Newman's house a sick child from the Burrows boarding house. Mrs. Newman's servant girl was ill at the time, and the board of health had taken the matter in charge and had found a nurse for the sick person, so that Mrs. Newman would not have to leave her work in the shoe factory. While this person was ill at Mrs. Newman's home a child took ill with a contagious disease in the Burrows house. A number of school teachers were at the boarding house at the time and something had to be done. It was a question of shutting down the schools that these teachers taught or finding some other place for the sick child.

The chairman of the board of health went to Mrs. Newman and arranged with her to allow the child to be brought to her home to be taken care of. Mrs. Newman consented, and the child was transferred from the boarding house to the house on Luther street. Both patients got well.

Mrs. Newman brought action against the board of health for damages. The board paid her house rent for some time and had bought coal for the dwelling. It was the board's agreement with Mrs. Newman that she should be paid all the expenses incurred by the taking of the sick child to her house. At length she refused to accept any of the offers made by the board and brought suit.

Wednesday the case was to come up for trial at Pittsfield and the members of the board of health were ready. Their defense was that nothing was done without the consent of Mrs. Newman. However, the case was not pushed and the counsel for Mrs. Newman threw up the sponge.

## THE BURGHARDT CASE

The Colored Man Who Died in the Pittsfield Saloon After Drinking.

## THE SALOON KEEPERS SUED

Damages Asked for the Suffering the Man Experienced and the Question is, Was the Man Unconscious and Did He Suffer.

The Berkshire superior court is fast nearing the close of its deliberations and today may see the list finished. There are some motions to be made and Judge Lilley has driven the court cases along rapidly. In the case of Norton against Eagan, judgment was rendered in about \$57 for the plaintiff, thus finding that the statute of limitations did not lie, and also that Eagan was only responsible for his own account and not for that of the old firm. There are exceptions and the case may go up on appeal. The case of Ferris and Wert against Deputy Sheriff Cropper about a horse transaction was finished yesterday morning. Decision was reserved.

The case of John H. Tappin & Co. and Robinson, McClellan & Co. both to recover bills for liquor sold Thomas Murphy of Adams, a saloon keeper, were tried together. The amount is about \$400. Philip Murphy is the defendant and he claims that he had no interest in the saloon kept by his son, excepting to assist him in starting, and did not authorize any bills being made out to him. The papers were taken in the case. Thomas Murphy died before the year of his license expired.

The case of Mary E. Burghardt, widow of Frederick Burghardt, against Colbert & Nolan was next taken up and occupied the afternoon. Burghardt, who was a colored man, died either in the saloon one day last February after drinking a few glasses of gin, or else while being taken home. The case at the time attracted much attention, and there was some question about the firm's license being revoked. The declaration is not for damages sustained by his family by reason of lack of support, but for suffering on the part of the deceased while in the saloon and before his death. The autopsy of the doctors showed that Burghardt died of strangulation, and that his stomach was practically tanned by the use of liquor. The doctors testified substantially that if Burghardt was unconscious he suffered practically nothing from strangulation or otherwise. The testimony was interesting on the line of what constituted death without suffering. The rest of the story is substantially as was told at the time of the death of Burghardt and at the time of the inquest. Burghardt was in a saloon about three hours, going there perfectly sober, drinking gin several times and finally, at the last drink, as one witness stated it, he seemed to collapse and grow unconscious after dancing to a crowd who treated him. He was taken to a back room, where there was no fire. Hops were placed on his head and shoulders, sawdust was found in his hair and clothing and in that condition when the proprietor thought him either dead drunk or dead, he was sent home. He was dead when he reached his home on Crofut street. There were about 10 witnesses examined yesterday and the case went on this morning.

In the divorce court Arthur D. Gleason of Great Barrington was granted a decree nisi from Grace E. Gleason for adultery with parties unknown. Katie Moore of Housatonic and now of Adams was divorced from George E. Moore for desertion and cruel and abusive treatment.

## The Hearststone.

Once more with fertile brain and magic pen has James A. Herne placed before the public a play containing all the elements that make the drama an educator. His latest effort, "The Hearststone" portrays every side of human nature life. It is replete with laughter and tears, trials and triumphs. It makes virtue attractive, and vice repellant. In fact when you see a character created by him, you forget that you are looking at mimic art and can only see flesh and blood personages, such as are seen in every day life. He has certainly elevated the stage by his marvelous creations, and for the benefit of mankind in general, it would be a blessing were there more playwrights like him. The Hearststone will be presented for the first time in this city at Columbia opera house Saturday.

## Harvest Musical Service.

The evening service at St. John's church Sunday will consist of a musical service at which time the choir will sing the harvest cantata, "The Crowning of the Wheat." This choir has given some very good musical services during the past two years and this one will be fully up to the standard. The public is invited to attend. Service at 7 o'clock.

## Third of a Series.

The third of a series of whist parties given by the F. M. T. A. and Ladies' Aid societies, will be held in their hall on Centre street this evening. After whist dancing will be enjoyed. All who attended before are invited.

We have just received a new supply of extra fine quality of hay. Call, write or telephone T. W. Richmond's coal and wood office.

## BY TELEGRAPH. TWO TRIALS STOPPED.

### A Jurymen in Thorn's Trial Sick. Thorn Now Accuses Mrs. Neck. Kelley Pleads Guilty.

Long Island City, N. Y., Nov. 11.—The trial of Martin Thorn may be discontinued for an indefinite period, owing to the illness of juror No. 6, Mangus Larson. The trial was adjourned early last evening until 9.30 this morning on account of Larson's sickness. Mr. Larson was afflicted with appendicitis and his condition was so serious this morning that the physicians who are attending him would not allow him to leave his bed.

This being the case, the sheriff did not bring up the other 11 jurors today and reported the facts to the district attorney. Captain Methyn brought Thorn into the court room at 9.30 o'clock. The prisoner did not look any the worse for his ordeal of yesterday. Judge Smith opened court a few minutes later, and District Attorney Youngs informed him of the serious condition of Juror Larson.

A doctor who had just arrived from the sick juror's bedside said that it would be impossible for Larson to attend today, but probably he would attend tomorrow. With the consent of the lawyers on both sides, Judge Smith adjourned the court until 9.30 tomorrow.

After the adjournment District Attorney Youngs and Judge A. N. Weller, with Judge Wilcox N. Smith, were closeted for nearly an hour and after they separated Judge Weller said the prosecution had adopted the following program: If Juror Larson had not sufficiently recovered to attend to his duties in the jury box tomorrow the state will ask for an adjournment until Monday, and then if in the opinion of the physicians, Juror Larson will not have sufficiently recovered, the district attorney will ask that the present jury be discharged and a new panel be drawn from which a new jury will be selected.

immediately, and the trial will be pushed through during the present term.

In the presence of his counsel, Joseph Mess, Martin Thorn made a statement while on his way to his cell this morning. His manner was cold and calm when he said: "The sworn testimony of Mrs. Neck is a tissue of lies from beginning to end. Her counsel made her go on the stand and tell it to save herself from the consequences of a murder she committed. When I go on the stand I will tell the whole truth without reservation. My love for that woman has ruined me, but after what she has done all the love I had for her is gone. Now I will tell what she really is and what she did. She committed the murder herself. This is what comes of trusting to a woman. I simply made a fool of myself for her sake. Now I am paying the price."

Dover, N. H., Nov. 11.—Joseph E. Kelly, who for three days has been on trial for the murder of Cashier Joseph A. Stickney of the Great Falls National bank, on the opening of court this morning, retracted his plea of not guilty, and pleaded guilty of murder. This proceeding caused a profound sensation.

Kelley said that the question of retracting the plea remained with the court. If it would fix the date of execution on January 16, 1898, he would plead guilty. The jury was discharged, but the court continued the hearing of testimony and will fix the degree later. Kelley's father, Michael, was the first witness. Several witnesses were called who testified to the fact which Kelley sustained when a boy, after which he was considered "off."

FRESHMAN 6, DRURY 0.

The Drury Colors Were Lowered Wednesday on Weston Field.

Williams freshmen and Drury academy played a close game on Weston field at Williamstown Wednesday afternoon. The former finally winning, 6 to 0. The visitors played a far better game during the first half and managed to keep the ball entirely in their opponents' territory. At one time it was on the freshmen's five-yard line, but they braced up and held for downs, Dale punting out of danger. The tackling of Potter and Dale prevented Drury from scoring during the rest of the half. In the second half the freshmen played better football and turned the tables on their opponents. Day kicked the ball on a fumble and by means of Potter's fine interference made a 65-yard run for a touchdown. However, he was called back one distance for illegal interference, but Dolph, Seelye and Dale, by successive rushes, brought the ball up to Drury's goal line, Dolph being pushed over for a touchdown just before time was called. Dale kicked a pretty goal. For the visitors Lawrence and Warren did some fine work, while the three freshman backs and Potter on right end deserve credit. The line-up—

THE TRADING STAMP ISSUE.

A Washington Police Court Justice Desides Against the Stamps.

A dispatch from Washington, D. C., says:

"Trading stamps, which have been used extensively by Washington merchants, were declared to be factors in gift enterprises in a decision rendered by Judge Scott of the police court Wednesday. The trading stamp scheme has caused considerable agitation among tradesmen in this city. An appeal will be taken."

CATARRR CURED!

And in North Adams, Too, Full Report of the Case.

Mrs. E. R. DeWitt, 108 Eagle street, North Adams, says: "Since a severe cold about a year ago, I have had catarrh in the head very badly, the slightest exposure to cold caused me to catch cold, and in fact my head felt all the time as though I had a fresh cold and it was very annoying. The dropping into my throat was continual and kept me all the time hemming to clear the throat. I got a bottle of California Catarrh Cure at Burditts and, Darby's, and since using it, I do believe I am entirely cured; at any rate I have not been troubled any with colds or any of the previous symptoms for several weeks. C. C. C. is surely an excellent remedy, and I most heartily recommend it."

California Catarrh Cure is especially prepared for treatment of the mucous membrane. It allays the inflammation, checks the disease and arrests and repairs the decay of this delicate lining. It is a curative agent for colds, coughs, hay fever, bronchitis, asthma, and all purely mucous affections. Use it during and after a cold, and you will never have a cold hang on or ever reach the catarrhal stage. When catarrh is once firmly fixed in the nasal passages leading either to the lungs or to the stomach. The result of the former cause is ultimately consumption, of the latter what is commonly called some form of indigestion or dyspepsia. It is catarrh of the stomach, intestines, kidneys and various internal passages. California Catarrh Cure will prevent and cure all forms of catarrh, whatever the part affected, and will even check insipient consumption. C. C. C. is sold at 50 cents, three times as much for \$1.

FACTORY EMPLOYES.

North Adams Has More Than Twice the Number of Pittsfield.

The following figures relative to employees in manufacturing establishments in this city and a few other towns will be of general interest.

In this city last year there have been employed in the various mills and shops 4,397 males, 2,332 females and 317 persons between 14 and 16 years of age.

Adams—Males, 1,547; females, 1,036; between 14 and 16 years, 161.

Clarksburg—Males, 110; females, 38; between 14 and 16 years, 3.

Pittsfield—Males, 2,200; females, 1,079; between 14 and 16 years, 81.

It will be seen that the number of factory employees in this city outnumber those in Pittsfield more than two to one.

A Guaranteed Attraction.

Richards and Canfield, former stars of Hoyt's "A Temperance Town," will be seen at Columbia opera house, Tuesday, in William Gill's new comedy, "My Boys." Exciting Experience.

A. J. Daniel got up the other night to get some medicine for his wife, who was suffering with a violent headache. He saw a match, the head of which flew off and lodged in his night robe, which was of outing flannel. Mr. Daniels then learned how combustible this material is. Before he could brush off the spark the robe took fire and the blaze was rapidly enveloping him when his wife sprang from the bed and wrapped a blanket about him, which put an end to the threatening blaze. The fire ran to the back of his neck and in another instant Mr. Daniels' hair would have been ablaze. He was not injured, but both he and his wife were thoroughly alarmed and the material of which the robe was composed has fallen suddenly into dispair in that household.

The D. K. E. House.

The finishing work in the new D. K. E. house is going forward rapidly and A. J. Daniels, the contractor, has no fear of his ability to complete the building by January 1, the specified time. The floors will be of hard pine. The hall will be finished in white enamel, the dining room and library in quartered oak and the other rooms on the first floor in brown oak. All the rooms on the second floor will be finished in brown oak and the rooms in the attic will be finished in white-wood. The walls are hard finished and the building will be very complete in all its appointments.
